OCA FILE 5FKCRECPT # Record

Washington D C 20505

13 AUG 1986  
OCA#86-2719

The Honorable Richard G. Lugar  
Chairman  
Committee on Foreign Relations  
United States Senate  
Washington, D. C. 20510

Dear Mr. Chairman:

In an attempt to better serve the Committee and to ensure good security practices, this Agency has been visiting the Committees of Congress to which we provide classified material. The purpose of these visits is to look at the storage facilities, discuss the handling of classified Agency documents with the responsible staff member(s), generally answer any security-related questions the staff members may have, and render advice on how to improve, if necessary, the system used.

I would like to ask that you allow  of my staff, and one or two members of our Office of Security, to visit with your Committee staff member responsible for the security matters of the Committee. This meeting generally takes from a half hour to an hour. If this meets with your approval, would you please have the appropriate staff member contact  to make arrangements.
